Re: Revised NHSP-M Visitation Schedule Effective February 15, 2022

The below revised visiting schedule for the New Hampshire State Prison for Men, in-person visitations to include attorney visitations will be effective February 15, 2022. The adjustments to the schedule allow for all C3 general population units to have the equitable opportunity for daytime and evening visits.

All standards set forth in COR 305.00 *Access to the Facilities and Grounds of the NH Department of Corrections* apply. Residents and visitors will be required to follow current NHDOC mask directives and guidelines.

Visit Eligibility for Residents:

- Must be eligible for visitation (not on any loss of visitation).
- Access may be limited due to specific resident/unit quarantine status.

Visitation Guidelines:

- Visits will be available by residents housing units as outlined in the NHSP-M Visitation Schedule
- Access to visiting room will be subject to seating availability
- Visiting party is limited to three (3) people
- All individuals must remain seated at their assigned table
- Children's play area will remain closed at this time.
- Residents and visitors may engage in a three (3) second hug at the beginning and end of the visit.
